Arthur De Lotto

Executive Director at JPMorgan Chase Digital

✉: arthur.delotto@chase.com

☎: (973)-819-5384

🏠: New York, NY 10001

*Dates worked with:
Summer 2017*

- Arthur was my direct manager for my past summer internship and oversaw my projects.
- Skills demonstrated: Java, Cucumber, Git, Hystrix, Maven, Splunk

Daniel Bodine

Technology Analyst at JPMorgan Chase Digital

✉: danielbodine@gmail.com

☎: (484)-896-8743

🏠: New York, NY 10001

*Dates worked with:
Summer 2017*

- Daniel was my mentor for the internship with Chase. He provided guidance and feedback about my experience throughout the summer. Though I did not work directly with him, he can still account for more general knowledge about my work and character.
- Skills demonstrated: Java, Cucumber, Git, Splunk

Kevin Wallace

Student at University of Michigan

✉: kjwa@umich.edu

☎: (908)-432-1541

🏠: Ann Arbor, MI 48109

*Dates worked with:
Jan 2017 - Present*

- Kevin is the president of the Engineering Honors Student Advisory Board, an executive committee for the Michigan Engineering Honors program which I joined during my sophomore year of college.
- Skills demonstrated: C++, C, Bash, Git, L^AT_EX, Vim, Xcode

Norm Roe

CEO / Founder of Synergy Broadband

✉: selina.l@synergyfiber.com (Selina Lee, Executive Assistant)

☎: (734)-222-6060

🏠: Ann Arbor, MI 48108

*Dates worked with:
Summer 2016*

- Norm is the president of Synergy Fiber, a telecommunications company I interned with during the summer after my freshman year. Norm assigned my project involving the redesign of the company data center, and can speak to other areas of my hard work and committance to any job.
 - Skills demonstrated: General work qualities
-
